Mrs. Scott,

Pursuant to Article XXXIII, Continuing Contract; of the LCCMHA Service Contract, LCCMHA is hereby providing you notification that we will no longer continue the contract with your organization effective December 31, 2017.

During the remaining sixty days, the LCCMHA Treatment staff will work with your staff to transition our current authorized clients to other providers. Any type of service provided under this Contract, through December 31, 2017, will be paid for accordingly. As indicated in the contract, "copies of any LCCMHA consumer records, any medications prescribed to and owned by consumers" shall be surrendered.

We look forward to working with you to make this transition as seamless as possible for our consumers. We would like to have consumers contact Diane Heinlein (517) 546-4126 for assistance in the transition. Once referred to their new provider, a release will be obtained for current documentation of clinical services, current medication, drug screens, treatment plan and other relevant information.

Please contact us at your earliest convenience should you have any questions.

Sincerely,

Deb McCririe
LCCMHA Contract Manager
