CITY OF BRIGHTON IMAGINATION STATION SPRING KICK OFF CLEAN-UP EVENT

The Imagination Station Playground Volunteer Group will be holding their 7th Annual Spring Kickoff Event at the Imagination Station on Saturday, June 2, 2018 at 9 am. Anyone who is interested in volunteering for this event is invited to come to the Imagination Station at 9 am on Saturday.

The volunteers will be laying mulch so more volunteers are needed! The larger the number of volunteers that can participate in the Spring Kickoff means the quicker the mulch laying work will go!

They will also be doing general spring clean-up, such as trimming shrubs, pulling weeds, cleaning tables, painting, and much more! There are jobs for all ages and skill levels and they have all of the tools you will need.

Each volunteer will receive a Goodie Bag stuffed with wonderful incentives from our local merchants. This is a great way to help out and meet other wonderful community members.

Also, The Imagination Station volunteers will meet at 9am on the second and fourth Saturdays of the month until October 27, 2018. Please contact Imagination Station Playground Volunteer Coordinator Renee Pettengill at the following email address of brightonimaginationstation@gmail.com if you have any questions.
