

# Mark your calendars for Renowned Dementia Care Expert **Teepa Snow Positive Approach™ to Care: The Journey of Dementia**

**August 7, 2018**

## **Workshop 1: 8:00-11:30 AM**

### **Providing Quality Care Throughout the Journey of Dementia**

This overview includes the progression of dementia and behaviors which affect care partnering and daily activities. Learn new hands-on skills, self-awareness and environmental supports to provide optimal care to those living with dementia. Through increased awareness, knowledge and skills, participants will learn to create a positive environment for people living with dementia.

## **Workshop 2: 12:30-4:00 PM**

### **Providing Late Stage and End of Life Care that Makes Sense**

This workshop is helpful for formal and informal care partners to gain understanding of how to best meet the needs of someone is in the final stages of the dementia journey. Discussion will include how different dementias may present and behavioral symptoms related to the disease, while helping learners begin to develop techniques and strategies.
