Job seekers will be able to speak directly to representatives from TG Fluid Systems, Work Skills Corporation, CEI Michigan, LaJoy Group, Lake Trust Credit Union, Pacut Insurance Agency (Allstate) Spiral Industries, Inc., Trillium Staffing, McDonald's, Visiting Angels, Busch's Fresh Food Market and nearly 40 other employers.

Recruiters are seeking qualified applicants in a wide variety of fields ranging from Sales, Manufacturing Associate, CNC Operators, Sheet Metal Installers, Maintenance, Accounting Managers, Human Resource Managers, Project Engineers, Design Engineers, Cooks, Welders, and many more. Community organizations offering services to job seekers will also be exhibiting. It is a win-win for businesses and job seekers by providing both with a convenient opportunity to connect in a single day.

In addition to meeting directly with employers, job seekers will have the opportunity to attend live workshops that will help them learn how to effectively job search online through *Using Google to Get a New Job* and learn resume techniques during the *Resume Strategies Workshop*. As a special service, human resources professionals will be available throughout the day to provide a quick critique of job seekers' resumes. Michigan Works! Southeast's Mobile One Stop Center (MOC-1) will be onsite offering the ability for job seekers to revise and print their resume. They will also be able to apply online for jobs during the event!

Job Seekers should visit the Michigan Works! website at [www.mwse.org/jobfair](http://www.mwse.org/jobfair) to register for the event and to get a complete list of available jobs and venue information. Those who pre-register and attend the event will qualify for our door prize raffle, one 50" 4k HD TV (attendance is required).

The Livingston Regional Job Fair is presented by the Job Fair Planning Committee. This collaborative committee consists of representatives from more than 13 local organizations including state and local workforce agencies, local chambers of commerce, post-secondary education, and local nonprofit agencies.
