

**FOWLERVILLE
PROVING GROUND**

Community Relations Objectives

1. Live in harmony with our neighbors and the environment.
2. Foster technological innovation in the field of transportation through promotion of math, science, and engineering in our local education system.
3. Promote public safety through our partnerships with local emergency response and public service entities.

Community Support

Each year FTTA donates track/facility time valued over \$150,000
