

HOWELL recreation

Howell Recreation and Beauty Beyond Drag Productions regretfully announce that Saturday's Drag Bingo event at the Historic Howell Theater has been cancelled. While there are many reasons that led to this decision, ultimately it came down to a mutual understanding that the safety and wellbeing of our performers, attendees, volunteers and staff was a huge priority. Ticket holders will receive a full refund.

Howell Recreation and Beauty Beyond Drag Productions would like to thank everyone who reached out in support of the event and are sincerely sorry for the cancellation. We know that many were looking forward to this event and this news comes as a disappointment. However, the Mini Melon event will still be providing great entertainment and fun for the whole community at the County Courthouse this Saturday, August 14 12-6pm. There will be inflatables, games, activities, concerts and more, all for FREE!

Thank you again for your support and we look forward to having you join us for the 61st celebration of the Melon Festival. Enjoy yourselves and remember to eat and shop local.

Sincerely,

Tim Church

Howell Area Parks and Recreation Authority
