PRECAUTIONARY BOIL WATER ADVISORY NOTICE

Loss of pressure in Livingston Community Water Authority System

BOIL YOUR WATER BEFORE USING

Bring tap water to a rolling boil, boil for one minute, and cool before using or use bottled water. Boiled or bottled water should be used for drinking, making ice, washing dishes, brushing teeth, and preparing food until further notice.

This Boil Water Notice applies to residents **Saxony, Wilmore & Meadows Subdivisions who receive water from the Livingston Community Water Authority in Green Oak Charter Township.**

At or about 2:15 am on Friday morning a motor vehicle accident happened at or near the intersection of Lee Road and Richelle Street causing a fire hydrant to be sheared off the water main. A water leak was reported to the Authority and the repair contractor was dispatched. Water was shut off to approximately 336 homes while repairs are being made. At this time, we do not know how long the water system will be down for repairs.

When water mains lose pressure, it increases the chance that untreated water and harmful microbes can enter your water.

Harmful microbes in drinking water can cause diarrhea, cramps, nausea, headaches, or other symptoms and may pose a special health risk for infants, some elderly, and people with severely compromised immune systems. But these symptoms are not just caused by microbes in drinking water. If you experience any of these symptoms and they persist, you should seek medical advice. For more information about Boil Water Advisories, go to:

You will need to boil water for the next **72 hours** until the problem is fixed, and the Boil Water Advisory is rescinded. You will be informed when tests show that you no longer need to boil your water. For more information, please contact:

Mark St. Charles of the Livingston Community Water Authority at 810-231-1333 ext. 102 or supervisor@greenoaktwp.com

*Please share this information with other people who drink this water, especially anyone who may not get this notice directly (for example, people in apartments, nursing homes, schools, and businesses).
You can do this by posting this notice in a public place or distributing copies by hand or mail.*
