

Special Music and Fundraiser Announcement

Matt Watroba is appearing again, live in Livingston County!

The Community Unitarian Universalists of Brighton are hosting a Special Musical Celebration and Fundraiser for Ukraine refugees...

On Sunday May 8th Matt will be at the Community Unitarian Universalists of Brighton--at 3333 Old US 23-- to lead a special Sunday morning service on Mother's Day starting at 10:30 am. Guests are welcome!

Matt is a veteran performer, teacher, radio host, song writer...the list goes on but what Matt prefers to be known as is a community singer, song leader and educator. He sings and writes songs of compassion, inner strength, humor and every day living...a perfect way to celebrate all people who have nurtured their friends, families and communities. His passion for bringing community together through music and education is infectious.

A special offering will be taken to support Ukraine refugees. The money raised will be contributed to the Unitarian Universalist Service Committee to support their work with refugees. Click this link to learn more about the UUSC: <https://www.uusc.org/about-uusc/>

CUUB encourages masks; other safety protocols are published at our building.
