## Brighton Optimists Present Check

Brighton, Michigan – This week, the Brighton Optimist Club and Eternity Brewing Company presented checks to Bountiful Harvest totaling \$654 from the June 14<sup>th</sup> euchre benefit.

On the 2<sup>nd</sup> Tuesday each month, the Brighton Optimist Club has a euchre tournament to benefit a different local 501 c3 group at Eternity Brewing. One Hundred percent of the money generated during these euchre nights is split between the designated charity, and the first, second and third place winners.

July's tournament will benefit the Girls on the Run SE Michigan, and in August it will benefit Girls on the Howell Nature Center.

Since December 2021 the tournaments have generated \$4,669 in donations to local 501 c3 groups.

Online registration is encouraged to expedite setup. More information can be found at: <https://www.BrightonOptimist.org/euchre>.
