Brighton Optimists Present Check

Brighton, Michigan – Yesterday afternoon, the Brighton Optimist Club and Eternity Brewing Company presented checks to the [I Will Right Now Foundation](#) totaling \$805 from the October 11th euchre benefit. The I Will Right Now Foundation helps others navigate a life-threatening diagnosis.

We hope other community groups and residents will be able to add to this total to assist in their mission ‘To provide hope and help through financial gifts to families dealing with catastrophe’.

On the 2nd Tuesday each month at 6:00 P.M., the Brighton Optimist Club has a euchre tournament to benefit a different local 501 c3 group at [Eternity Brewing Company](#), in Howell. One Hundred percent of the money generated during these euchre nights is split between the designated charity, and the first, second and third place winners.

The November 8th tournament will raise money for [Torch 180](#), a nonprofit 501(c)3 in Fowlerville, providing food-industry training for adults with disabilities, and in December we will support the [Friends of the Brighton District Library](#).

Since December 2021 the tournaments have generated over \$7,800 in donations to local 501 c3 groups.

Online registration is encouraged to expedite setup. More information and the upcoming schedule can be found at: <https://www.BrightonOptimist.org/euchre>.
