Stroller Stories from the Brighton District Library Combine Summer and Storytimes on City Walks

Brighton, MI – May 16, 2023 – All Strollers, Waddlers, and Walkers are welcome at our Stroller Stories series from the Brighton District Library! Join us for a walk through Downtown Brighton while we sing songs, read a story, and explore spontaneous literacy! Parents and helpers, enjoy the fresh air, stretch your legs, and make new friends as we walk around the block!

- In May, Stroller Stories will run every Friday from 10:15-10:45am: 5/19 and 5/26.
- In June and July, Stroller Stories will run every other Wednesday from 10:15-11:00am starting June 14 and ending July 26: 6/14, 6/28, 7/12, and 7/26.

This walk out and about will start at the Imagination Station and on to the Millpond Trail. Across the bridge over the Brighton Mill Pond, little ones will see all kinds of wildlife, like families of turtles, geese, and ducks! All of the sights, songs, and sagas create the most special of summer storytimes. Families have already been flocking to Stroller Stories, and we encourage more to join in on the fun.

Stroller Stories does not require registration. Attendees can look for Youth Services Librarian Nicole Cook in her Stroller Stories shirt at the Imagination Station.

Please note that this program is a weather-permitting event.
