Topic: Questions and Answers on Municipal Moratoriums

Join us for another live event as we hear from Kyle O'Meara from the legal firm of Fahey Schultz Burzych Rhodes. Kyle attended the University of Michigan where he studied public policy and earned his law degree from the Notre Dame Law School in 2018. He will present on the topic of municipal moratoriums and offer insight and guidance on how to carefully consider this course of action when important planning and zoning issues are at stake. We look forward to Kyle sharing his knowledge and expertise on this important topic and how this issue can benefit our local communities.
