VINA Community Dental Center Announces Corvette Raffle for Charity

VINA Community Dental Center is thrilled to announce an exciting raffle to support the mission of providing affordable dental care to those in need, including veterans, seniors, the uninsured and other limited-income individuals. The organization is presenting a Corvette Raffle, in partnership with Champion Chevrolet, with tickets printed by First Impression Print & Marketing.

VINA is thrilled to offer participants the chance to win a 2024 red Corvette from Champion Chevrolet, or \$60,000 in cash. With tickets priced at only \$100, this opportunity is open to all, and each ticket sold contributes to a good cause. Tickets are now on sale and available at participating locations throughout Livingston County, including VINA on Grand River Avenue in Brighton or through VINA's [online payment portal](#).

The funds raised from this raffle will directly benefit VINA's essential dental care services to the uninsured and further support the organization's partnerships in providing free dental care to veterans in need.

"The Corvette Raffle is an incredible opportunity for our community to come together and make a positive impact on the lives of veterans, older adults and other uninsured patients in need," said Samantha Jorgens, Executive Director at VINA. "By participating in this raffle, not only will individuals have the opportunity to win an incredible prize, but also help restore and spread smiles by helping us provide crucial dental care services to those in need in our community."

The raffle will run until Saturday, April 27th 2024 where the winning ticket will be drawn at the annual spring fundraiser held at the American Spirit Centre. The license number for the raffle is #R70678. A maximum of 3,000 tickets will be sold, and the lucky winner will have the option to choose either the complete ownership of the 2024 red Corvette or the generous cash prize of \$60,000. Raffle ticket holders do not need to be present to win.
