Livingston Land Conservancy Announces *Land on the Horizon* Fundraising Event

HOWELL, MI – Nineteen years after hosting its first grassroots event in an aircraft hangar, the Livingston Land Conservancy's annual live fundraiser, *Land on the Horizon*, is set for Friday, October 6 at Chemung Hills Golf and Banquet Center in Howell.

The event, which begins at 7:00pm, is fun, fast-paced and lively, featuring live and silent auctions, raffles, a wine pull, a chef-prepared dinner buffet and cash bar. The evening will celebrate the natural beauty and rural character of the Livingston County area and support the over 750 acres of quality natural areas and productive farmland properties the LLC protects. The LLC preserves land as owned nature preserves or as conservation easements on behalf of private landowners.

Individual tickets are \$70 each and can be purchased at livingstonlandconservancy.org or by calling 810-229-3290. Sponsors and donated auction items are also still being accepted.

This year's Presenting Sponsor is Littlite Task Lights of Hamburg. All net proceeds from the event go to the LLC's Land Acquisition and Stewardship funds that support 17 different protected properties in Livingston County.

An all-volunteer 501(c)(3) non-profit founded in 1994, the Livingston Land Conservancy mission is to protect the heritage and rural character of Livingston County by preserving natural woodlands, wetlands, and productive farmland, and to promote an appreciation and understanding of the environment for the long-term benefit of the public. The organization is completely self-supporting by memberships and donations and receives no financial funding from taxpayers or municipalities. To find out more, visit the LLC website at livingstonlandconservancy.org.
