

HONEY BEES

NATURE'S LITTLE MIRACLE WORKERS

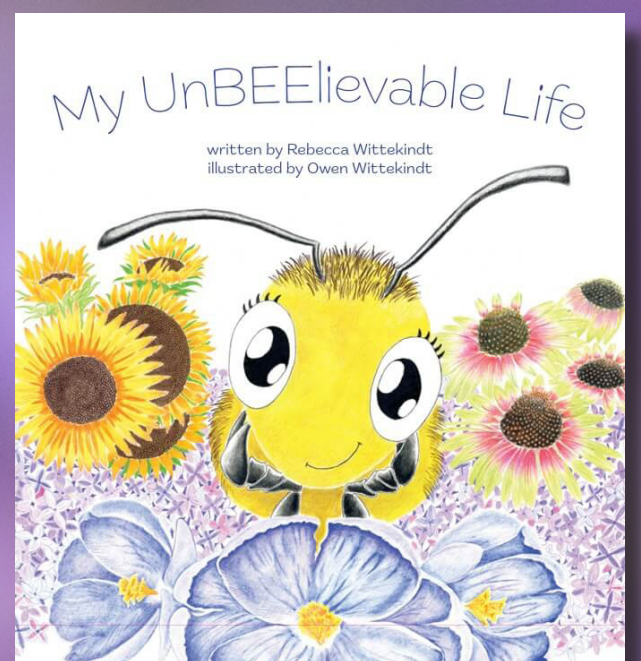

SATURDAY, NOVEMBER 23

11AM TO 12PM

Catch the buzz! Learn about honey bees and why they are important from beekeepers Rebecca and Owen of Bee Present Honey. Engage your senses as you see the bee lifecycle, smell and feel beeswax, and join us for a special honey tasting. After the presentation, enjoy some activities to learn more about honey bees!

All ages.

Register November 9: bit.ly/bdlhoney

Books available for purchase after the program!
