### **Finance Seminars at Brighton District Library**

Brighton, MI – December 26, 2024 – Are you getting ready for retirement but are worried about the financials? Or do you have questions about Social Security and retirement taxes? In January, the Brighton District Library is offering two different, virtual, educational seminars from the Center for Financial Planning to help you prepare for your golden years!

Our first program is ‘5 Things to Know before Filing for Social Security.’ Presented by Josh Bitel, this will be in two separate sessions for you to pick the best that fits your schedule. He is not only a Lead Financial Planner, but is also in the firm’s Financial Planning Department and a member of the Macomb County Chamber of Commerce. Mr. Bitel will be hosting the first session via zoom on Tuesday, January 7, at 6:00pm. Registration for this session here at [bit.ly/bdlss7](https://bit.ly/bdlss7) . If that time doesn’t work for you, a second session is scheduled for Thursday, January 23, at 6:00pm also on Zoom. If you are interested in that session, please register at [bit.ly/bdlss23](https://bit.ly/bdlss23) .

The second program is ‘How to Save Taxes & Thrive in Retirement’ hosted by Nick Defenthaler. In addition to working closely with clients as a Senior Financial Planner, he is a frequent speaker for the firm and has a passion around educating individuals and families on important and timely financial planning concepts. Mr. Defenthaler will be hosting via zoom on Wednesday, January 15, at 6:00pm. Patrons interested in this program may register at [bit.ly/bdlretire15](https://bit.ly/bdlretire15)
